MEMORANDUM FOR: Chairman, National Intelligence Council

THROUGH: Vice Chairman, National Intelligence Council

FROM: John J. Bird
National Intelligence Officer for Warning

SUBJECT: Approval for CONUS TDY to US Space Command and NORAD

1. Request approval to participate in a three-day TDY to Colorado as a member of [] briefing team. The team plans to depart Washington on 5 October, brief US Space Command and NORAD officials on 6 and 7 October, and return to Washington on the evening of the 7th. 25X1

2. The team will include two members of DI/SOVA in addition to myself. Arrangements with the field are being coordinated by SOVA [] 25X1
[] Current plans call for a briefing session 25X1
with Space Command seniors followed by briefings with Space Command intelligence officers and with a general Space Command and NORAD audience.

3. The TDY is intended to: (a) introduce to two key intelligence customers the utility of acquiring strategic warning information that complements more traditional I&W data; (b) advise them on how this type of information can be correlated with conventional military intelligence; and (c) discuss future project goals in the context of specific user information needs.

4. [] A/NIO/W, will act as NIO/W during my absence. 25X1
